American Recovery and Reinvestment Act Agency Questionnaire

1. What impact does this federal money have on jobs? Please check the appropriate box and explain in detail any information you have about the FTE associated with this request.

   ☐ Creates new jobs - Please detail the number of new FTEs. How long will the new FTEs be funded?

   ☐ Saves jobs - Please detail the number of FTEs saved. Give a detailed account about where these FTEs were cut out of the budget during the 2009 special session. Please be specific. How long will these FTEs be retained?

2. Identify and detail any state match monies and their sources in the line below. If a true money match, give the budget source. If maintenance of effort or in-kind match, identify the services/positions/equipment/duties tied to the grant and their budget sources.

   _____

   _____

   _____

3. Will any of the federal funds be passed through to another state agency? Please specify which state agency and the specific purpose of the money. Also detail the time period that the state agency has to expend the funds.

   _____

   _____

   _____

4. Have you contacted the Division of Finance to establish the FINET coding blocks that will be used to track ALL revenues and expenditures of ARRP money in the FINET system? If so, what is the code? If not, contact them and get the code to put on this questionnaire before it is complete.

   _____

5. Will any of the grant money be awarded to sub-grantees/recipients (i.e. single audit definition for pass-thru expenditures)? If yes, contact the Division of Finance for new reporting requirements related to pass-thru expenditures.

   _____
