

To whom it may concern:

Earlier, I filled out the candidate financial disclosure form related to my candidacy for the Utah State Board of Education, District 5. I would like to add an amendment to the form.

In item #5, it asks the organization or entity for which I serve on the board of directors. I would like to list two more items:

Name of entity: Utahns for Ethical Government

Type of activity: Gathering signatures to place an initiative on the ballot for public vote regarding legislative ethics

Your position/interest in the activity: I am chair of the Executive Committee.

Name of entity: Utahns for Public Schools

Type of activity: Promoting appropriate support and financing for public education in Utah

Your position/interest in the activity: I am a member of the Executive Committee.

I receive no compensation for participation in either of these activities and it is strictly volunteer.

Kim R. Burningham

Candidate, District 5, Utah State Board of Education

August 29, 2010
